

North Texas Wounded Warrior Golf Association 2013 Year End Report

The following is a description of NTWWGA activities during 2013

2013 was a milestone year for the North Texas Wounded Warrior Golf Association. This year, we began operations as the North Texas Chapter of the Salute Military Golf Association. In this capacity, we now offer golf clinics, lessons, equipment and playing opportunities to wounded warriors who live in the Dallas-Fort Worth metroplex or are recovering from their injuries in one of our area's VA hospitals.

In the Spring of 2013, NTWWGA hosted its first North Texas Warrior Golf Clinic. This clinic was an eight-week instructional golf clinic for 11 North Texas Wounded Warrior. We are deeply grateful to Timarron Country Club – this prestigious club donated its facility, equipment and PGA professional instructors to teach the clinic. Special guests at the 2013 Warrior Golf Clinic included Congresswoman Kay Granger and two-time national long drive champion Art Sellinger. At the conclusion of the clinic, SMGA/NTWWGA awarded a set of custom-fit TaylorMade golf club to each warrior participant.

2013 North Texas Warrior Golf Clinic

Through NTWWGA, several organizations offered playing opportunities to warrior golfers registered with our program. In 2013, NTWWGA coordinated over 90 individual wounded warrior playing opportunities to 20 different events in North Texas, including the HP Byron Nelson Classic Pro-Am. Wounded warriors from our program also participated in Tschetter-Lucas Foundation Tournament in Gainesville, Virginia and the Comfort Crew Boots & Birdies Charity Classic in Austin, TX.

NTWWGA wounded warrior board members were also invited to play in two prestigious events. Jason Leap joined 12 other US wounded warriors as they traveled to Royal Lytham & St Annes Golf Club in England to compete against UK wounded warriors in a Ryder Cup-styled golf tournament. Dave Romanowky competed against 22 fellow wounded warriors in the 2013 Warrior Open at Las Colinas Golf Course, hosted by President George W. Bush.

NTWWGA held its third annual American Airlines North Texas Wounded Warrior Charity Golf Tournament at Timarron Country Club in September. We hosted 14 wounded warriors from our program. A special highlight of the tournament was three-time Warrior Open champion Chad Pfeiffer who demonstrated his golfing skills as part of this event. Another highlight was NTWWGA warrior golfer Jason Wakefield scoring a hole-in-one! Proceeds from this very successful tournament will be used to fund our 2014 North Texas Warrior Golf Clinic.

Jason Wakefield's Hole-In-One

Moving into 2014.... As the North Texas Chapter of the Salute Military Golf Association, we will offer the 2014 North Texas Warrior Golf Clinic to military veterans with a service-related disability. This eight-week instructional golf clinic is scheduled for March 2014 at Timarron Country Club in Southlake, TX. The clinic will again be patterned after SMGA's proven adaptive golf clinic model. Clinic participants who complete participation requirements will be eligible to receive a set of custom-fit TaylorMade golf clubs.

Thanks to the tremendous generosity of our sponsors and supporters in the North Texas community, we are able to improve the lives of our disabled national heroes. To keep track of our activities, visit our website at www.ntwwga.org.
